Design Your Own Table Top

Make a **bold** statement with a custom table top. The possibilities are limitless!

This is a great solution for:

Big Brands & Franchises looking for a unique way to emphasize their trademark logo or image.

Restaurants, ice-cream and pizza parlors, bars, coffee shops and fast food establishments that would like to have a unique product.

Architects & Designers who would like the limitless creative freedom to create any table top they can imagine.

Design Your Own Table Tops are:

- Suitable for Outdoor Use (in covered areas only)
- UV and scratch resistant
- Strong and durable

Step 1: Pick your Image

- Choose one of our stock images. Many more designs are available on our website.
- Customize any of our designs by adding your company logo.
- Send us your own photography or artwork in JPEG format and we'll turn it into a custom table top!

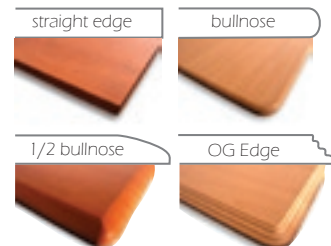

The designs shown here are just A FEW of the images in our extensive library. Please visit our website for even MORE options.
