# Saule P6

## PATENTED ONE MOVE SYSTEM

See the patented One Move™ video on our website [www.beaufurn.com](http://www.beaufurn.com)

*The patented One Move™ System is a pole mechanism that raises or lowers the umbrella in a single movement. Thanks to its gas spring, the umbrellas can be lifted effortlessly with basically the tip of a finger, as opposed to standing on a chair to crank up an umbrella.*

# Saule P6

## ACCESSORIES

### Cover

Protects the pole and umbrella in all weather, comes standard.

### Lights (available late 2011)

LED's can be installed in the center of the umbrella.

### Rain Gutters (available late 2011)

Rain gutters with zippers can easily connect several parasols.

### Infrared Heater (available late 2011)

Up to 4 heating units can be mounted to one multi-pole.

Saule P6

*Shown with optional wall mounting bracket.*
