Materials: Solid Wood

Features & Benefits: A robust, solid, and clean line table design; the Harmony Table represents a solid footing and a balance. The thick, natural wood beams are interlaced construction and create a most solid square construction. The leg design hints at the four cardinal directions, the table lofted upon them as if to present itself as a fixed point in space saying "I know where I stand". Available in our healthy and durable water-based wood. Solid Beech wood table top.

Optional Add Ons: Urban Top or Solid Surface Top

Order Minimum: None

Wood Finish Options: None
