Beaufurn[®]

Senior Living by Beaufurn is a curated approach to an age-old problem...how to create the sense of home in a new environment. An industry leader in furniture design and manufacturing, Beaufurn now offers a unique and compelling senior living product offering for common areas, dining room and outdoor spaces. Senior living is simply an extension to the Beaufurn spirit of design. A refined brand feel and image, Senior Living by Beaufurn employs functional, yet timeless designs and is crafted with consideration to the needs of today's modern senior.

Senior Living by Beaufurn delivers on our ideology that timeless design enhances public environments. We design and construct furniture that is not only safe, comfortable, and durable but also brings warmth and sophistication to senior needs and lifestyle. Designed for comfort and built to last, our product offerings have optimized seat height, arm height, foam density and added moisture barrier, providing lasting comfort and durability.

Enhance any space by pairing lounge seating with complementary case goods for a complete and beautiful union. Elegant lines and practical features unite. A thoughtfully designed collection of solid wood pieces is often enhanced with intricate hand-painted designs and finishes, creating exquisite pieces of furniture. Our case goods consist of standalone items which complement one another and work well in today's eclectic lifestyle environments.

Senior Living by Beaufurn provides dining options that are well-designed and comfortable, yet strong and durable. They are an essential component of any food service venue. With visual appeal, physical comfort and dependable value, our dining chairs are designed with senior living in mind, easy ingress and egress as well as easy care and maintenance.

The Star Collection

Functionality, quality, and style. Our outdoor products are durable and resistant to the elements. From modular lounge seating to umbrellas or dining chairs and tables, Senior Living by Beaufurn's line of outdoor furniture will enhance any environment. All our outdoor furnishings are constructed of high quality, durable weather-resistant materials making them ideal for use in outdoor common areas.
