PRODUCT INFORMATION

- 100% Solution Dyed Acrylic Fabric
- Made in the USA
- 5 Year Warranty
(visit www.outdura.com for complete warranty details)
- Water and Stain Resistant
- Repels Mildew and Mold
- Easy to Clean (bleach cleanable)

CARE AND CLEANING INSTRUCTIONS

CLEANING INSTRUCTIONS FOR NORMAL STAINS

Remove any loose dirt. Prepare a mixture of cold to lukewarm water, do not exceed 100° F (38° C), and mild soap. Rub in mixture with a soft brush and allow the mixture to thoroughly soak into the fabric. Rinse well with water and air dry. Do not machine dry.

CLEANING INSTRUCTIONS FOR STUBBORN STAINS

Remove as much surface dirt as possible. Soak fabric for 1 hour in a mixture of 1 gallon (4 liters) cold water, 1/2 cup bleach, and 1/2 cup mild soap.

Rub in mixture with a soft brush and rinse thoroughly with cold to lukewarm water and air-dry. Never use water over 100° F (38° C). Do not machine dry. Detergents can be used on Outdura without harm; it may however remove some of the water and stain resistant properties. A simple spraying of a post cure fluorocarbon will restore these properties following the manufacturer 's instructions on the package. These sprays can be obtained through a dry cleaning supply store or stores that sell marine related products.

For more detailed cleaning instructions for difficult stains, please refer to the information on www.outdura.com.
